

CONSENT AND RELEASE
Department of Special Education
Lincoln Public Schools • Lincoln, Nebraska

Lincoln Public Schools staff have recommended the use of equipment with our child, ("Student") to protect the Student's safety. The equipment that has been recommended is:

- Gait belt
- Wheelchair
- Helmet
- Mobility chair
- Other _____

We are aware of the fact that the Student has certain needs and/or health concerns and that the use of safety equipment would help protect the Student from harm. We, however, do not want the equipment to be used with the Student.

We state that we are aware of the risks inherent in the Student attending school without the use of the recommended safety equipment and that the risks include serious personal injury or possible death. In full awareness of these risks, we hereby request that the Student be allowed to attend school without the use of the recommended safety equipment and give our consent for the Student to do so.

In consideration of the District's allowing the Student to attend school without the use of the recommended safety equipment, the undersigned (Student and his/her parents) accept responsibility for any loss, damage, or injury to the Student that occurs from the Student not using the recommended safety equipment and release and agree to indemnify and hold Lincoln Public Schools, its Board of Education, the members of the Board of Education, and the employees and agents of Lincoln Public Schools harmless from any injury or damages which may be caused to the Student or others in connection with the Student not using the recommended safety equipment.
