In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Intent of Family Handbook

This handbook is intended to be used by students, parents and staff as a guide to the rules, regulations, and general information about Lincoln Public Schools. Each student is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Welcome to Cavett!

Welcome to Cavett Elementary School! I am honored to serve as principal and to be part of such a caring and supportive school community. Every day, I have the privilege of working alongside incredible students, dedicated staff, and engaged families who make Cavett a special place to learn and grow.

At Cavett, we believe every child deserves to feel safe, valued, and successful. Our staff is committed to meeting students where they are, supporting their individual needs, and helping them reach their full potential. We celebrate the unique strengths, talents, and backgrounds that each student brings to our school. Since opening our doors in 1995, our motto has been “Cavett Cares!” More than a slogan, it reflects who we are. Caring relationships are at the heart of everything we do, and we work each day to create a welcoming environment where students can learn, take risks, build confidence, and thrive.

We know that student success is strongest when schools and families work together. Your partnership, support, and involvement make a tremendous difference, and we are grateful for the many ways our families contribute to our school community. We are also fortunate to have a wonderful PTO that helps create enriching opportunities for our students and supports our staff throughout the year.

Thank you for taking the time to learn more about Cavett. Whether you are a new family or have been part of our school community for years, we are glad you are here. I look forward to working together to ensure every student has a positive, meaningful, and successful elementary school experience.

Warmest regards,

If you are visiting for lunch, please remember to only bring food for your student. Sharing food with others is in violation of the Federal Lunch Program guidelines.

My School Bucks is the name of our online meal payment system. Money in a student's account can be transferred from one school to another if a student changes schools within Lincoln Public Schools. Students who do not have sufficient funds to pay for breakfast/lunch will bring home a note to remind parents of the need to make a deposit. Communicating Student Progress

Report Cards and Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.”

Academic achievement based on district curriculum standards and work/study habits will be reported quarterly through student report cards. Report cards will be available on ParentVue. Paper copies will be available for those who do not have access to ParentVue. The exact dates will be communicated through newsletters and on the Cavett website under the calendar tab.

Parent-Teacher conferences are scheduled twice a year, once in the Fall and once in the Spring. Please consult the Cavett School Calendar on the LPS website for Parent-Teacher conference dates. Parents with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

Behavioral Expectations

In order to maintain a positive learning environment for all students, clear expectations for appropriate behavior are provided.

Our goal is to reinforce appropriate behaviors and help students problem solve when the choices they make are not appropriate for school. Students receive Cardinal Cards for exhibiting safe, respectful and responsible behavior.

Cavett uses multi-tiered systems of support for behavior which includes proactive strategies, for defining, teaching, and supporting appropriate student behaviors to create a positive school environment.

We know that students will make mistakes during this developmental time in their lives. Cavett staff helps students learn how to problem solve and plan actions reflecting good choices to prevent errors of greater consequence later on in life.

Cavett staff also follow the due process procedures of the Lincoln Public Schools, which can be found in the LPS IMPORTANT INFORMATION HANDBOOK. Copies of the LPS Rights and Responsibilities are available in the school office.

Bullying, fighting/violence, intimidation, profane language and/or bigotry will all be addressed through intervention, processing and reteaching. Consequences for these behaviors will be determined and communicated with families. The possession and/or use of alcohol, drugs, tobacco and items which are weapons will call for immediate suspension.

Bullying

If you feel that your child is being bullied by peers, please contact your child's teacher or a building administrator. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. In order to be considered bullying, the behavior must include:

- **Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.¹

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Mental and Behavioral Health Point of Contact

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports. Please click on the QR code below for more information. You may also call 402-436-1131 and ask for the school social worker.

Student Use of Telephone

If a child is requested to stay after school by a teacher, the student will call home to inform parents. Only necessary telephone calls are allowed during or after school. Arrangements to visit friends should be made at home. During the day, office staff will be glad to take a message for a child or a teacher. **Telephone calls interrupt instruction and will not be transferred to the classroom while instruction is taking place.**

All messages for students will be delivered at the end of the day.

Cell Phone and Electronic Devices

District policy on cell phones and electronic devices can be found in the Lincoln Public Schools Important Information Booklet and can be accessed online at lps.org.

Lost and Found

Our Lost and Found is located in the multipurpose room. Please encourage your child to check periodically for lost items. Whenever possible, label articles of clothing so we can return them. Items that are not claimed are donated at the end of each semester.

Animals on School Property

For the safety and well-being of students, parents, community members and staff, pets/personal companion animals are not allowed to be brought on school grounds when students are present except in accordance with this regulation. Animals brought to school as Pet Therapy animals will follow the Pet Therapy Guidelines and service animals are permitted in accordance with Policy 3972.

Cavett P.T.O.

The Cavett P.T.O. has two objectives:

- To promote a cooperative relationship between the home and the school that will benefit the education of all Cavett students.
- To enable parents and teachers to work together to provide opportunities for all students to reach their fullest potential in physical, cognitive, social and personal development.

All parents and teachers at Cavett are considered members of the PTO and are encouraged to participate in committees, projects, and programs of the organization. The PTO website is cavettpto.ptboard.com/home. On the website you can sign up for the PTO newsletter, read about the committees, check the calendar of events, and see upcoming events. Come to a meeting to learn more about the PTO and get involved. Meeting dates will be announced at the beginning of the year.

2026-2027 Voluntary Supplies List

Traditionally, one of the rituals families participate in as they prepare for the new school year is to purchase school supplies. In accordance with the Nebraska Constitution and state and federal law, Lincoln Public Schools provides a free, public education to all students. This generally means the district provides the supplies needed for instruction at no cost to students. This includes textbooks, pencils, erasers, crayons, glue, scissors, paper, notebooks, tissues, etc. For this reason, please do not send school supplies for your child's individual use at school.

You are NOT required to purchase any of these items, but you may wish to purchase and donate some items to your child's classroom. We ask that you do not put your child's name on any items. All items purchased will be graciously accepted as a donation to the school and will be shared by all students within the classroom.

Methods of Communication

ParentVue

Parents may access communications, attendance information and more for their child through ParentVue. A “button” linking you to ParentVue can be found on our school website.

School Website

Information is regularly updated on our website:
cavett.lps.org

Cavett Chirp

The *Cavett Chirp* contains announcements, information, school events, etc. Families will receive the school newsletter electronically each month.

Weekly Communication Folders

Typically, school news will be sent home via Friday folders. Please return the folder with your child the next school day including any notes to your child’s teacher. General information will be sent with the oldest child in the family Cavett.

Community News

“Community News” is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. “Community News” replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of “Community News.”

Apptegy

This district-wide communication system sends school and district emails, texts, and phone calls to families with important information. Please be sure the school has your updated phone number and email address.
