Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Welcome to Pershing!

Dear Students and Families,

Welcome to Pershing Elementary School! This handbook has been prepared for all students and parents/guardians in hopes that it will be helpful in answering questions you might have about the policies and practices of our school. Please carefully review the contents with your child. The “Important Information” booklet provided by Lincoln Public Schools also gives critical parent/student information. Note that dates for school events are subject to change. If you have questions or concerns regarding these publications, please do not hesitate to call the school office at 402-436-1160.

On behalf of the entire staff, we look forward to working together to make this a successful year of learning and growing.

Annette Bushaw,
Principal and Pershing Staff

Intent of Student Handbook

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

If you have questions, please discuss the information with your student first. Students are strongly encouraged to discuss class progress directly with their teachers. If further clarification is needed, parents should contact the teacher directly.

Information available via ParentVUE includes:

- Communications from Teachers
- Attendance
- Student Schedules
- Class Websites
- Course History
- Progress Grades
- Assignment Calendars
- Immunization Summary
- Report Card (Current Year)

This secured access requires a confidential username and password that you create to log in to see your student's information. This resource will help you stay informed about your child's progress. Please read the following information carefully.

Methods of Communication

Apptegy

Apptegy sends emails sharing announcements, information, school events, etc. Please make sure your email is correct.

Weekly

Communication Folders

Typically, school news will be sent home via Thursday folders. Please return the folder the next day including any notes to your child's teacher. General information will be sent with the oldest child in the family attending Pershing School.

School Website

Information is regularly updated on our website: pershing.LPS.org.

ParentVue

Parents may access communications, attendance information and more for their child through ParentVue. A "button" linking you to ParentVue can be found on our school website.

Visitors

Parents/guardians and community members are encouraged to visit school. Children not enrolled at Pershing may not visit unless accompanied by an adult. It is recommended that visitors limit their visit to 30 minutes. If wanting to visit the classroom, please make arrangements with the teacher before. When visitors do come, we ask that they come to the office, sign in using the computer and wear the badge provided. Wearing this badge will assure all staff that approval has been given by the office. This is an important step in our security plan.

Pets at School

Pets are an important part of many students' lives and can provide many good learning experiences. The teacher or principal must approve a visit by a pet in advance. **During arrival and dismissal no pets are allowed on school grounds.**

Reporting Absences

If your child is unable to attend school, call the office at (402) 436-1160 or enter absences on ParentVue. If the school has not been notified, a call will be made to your home or work. If you can't be reached, emergency contacts will be called.

Make-Up Work

We appreciate parent/guardians' conscientious regard for picking up homework.

- If your child will be absent only one day, work may be made up or taken home upon return to school.
- If your child will be absent for an extended period of time, please contact the classroom teacher to plan for completion of work and notify the office.

Please call the office in the morning to request homework to be picked up after school.

Additional activities available to students (some for only designated grade levels) include: Chorus, Band, and Orchestra. Other clubs and activities may be organized to address special interests of students and staff.

Bullying

If you feel that peers are bullying your child, please contact your child's teacher or the building principal, Annette Bushaw. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child who the adults are in the building they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with. Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.
