Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

History of Maude Rousseau Elementary School

Maude Rousseau Elementary School was named after C. Maude Rousseau who was a teacher and principal in Lincoln. She was born May 2, 1879 and died February 13, 1961. Miss Rousseau taught at Elliott from 1918-1922. She was an assistant principal and girls advisor at Whittier Junior High from 1922-1926, and was the first principal at Randolph School, where she served from 1926-1947.

Not much is known about Maude Rousseau. Research for Rousseau's 10th birthday celebration turned up the fact that Maude Rousseau liked to cook, so they baked brownies using Miss Rousseau's recipe for the 10th birthday party. The recipe was provided by Anna Zeman, Maude's friend, and a person for whom Zeman School was named.

On March 12, 1963, the board of education approved the name Maude Rousseau for the new school to be built at 33rd and Calvert. At that time, Calvert Street was not even paved all the way. Kingery Construction was low bidder, and thus got the job of building Rousseau School at a cost of under \$500,000. The Clark Enersen Partners designed the building.

In 1964, Maude Rousseau School's boundaries started at 27th and Woodsdale, running east of Woodsdale and Melrose to 40th Street, south of 40th Street to the school district's limits, west to 27th Street and north back to Woodsdale.

School Rules & Behavior Expectations

The Rousseau community including students, parents, administration, and staff will work together to create and maintain a safe, caring environment that promotes teaching and learning. Rousseau School has implemented a school wide multi-tiered systems of support (MTSS). MTSS is a school-wide system that includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school learning environments. We know that when good behavior and good teaching come together, our students will excel in their learning. The expectations listed below will enhance the development of a positive learning environment.

- Be Respectful - We will treat others with respect and care.
- Be Responsible - We will display good citizenship and acknowledge responsibility for behavior.
- Be Safe - We will have the responsibility to practice self-discipline skills to ensure safety for all.

During the first week of school and throughout the school year, staff will focus on teaching students the behavior expectations for all areas of our school. Our goal is to “catch kids being learners”. When students know that their positive behavior is clearly defined, taught, recognized and reinforced, they are more likely to respond with positive behavior choices. The Behavior Expectation Matrix (page 8) describes in more detail the expectations we have for students.

We know that students can have challenges to consistently display appropriate behavior due to a variety of reasons. To further support our students, we help students learn to manage their own behavior so that they and their classmates can learn, perform and behave at grade level or above.

Students work on the following goals for life:

- I can be productive and follow directions, even if I have an overwhelming emotion.
- I can be productive and follow directions, even if others are not okay.
- I can be productive and follow directions, even if I don't want to.

Mental and Behavioral Health Point of Contact

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports.

Mission Statement

The mission of Rousseau Elementary:

Learn at High Levels.

Think Interdependently.

Lead with Character.

Rousseau's Goals for Students

It is the goal of Rousseau that every student meet the following school improvement goal to improve student achievement. This is monitored through:

- Math numbers
- Reading comprehension and fluency
- Behavior data

The Rousseau staff partners with parents and guardians to achieve these goals on a daily basis. The following are suggestions parents can use to get students prepared to learn:

- Get to know your child's teacher. As a parent you know your child best. Share what you know with the teacher: interests, favorite book, concerns you may have, etc.
- Make sure your child gets enough sleep. Tired children can't do their best work. Establish a routine for bedtime and adhere to it.
- Talk to the teacher about what is expected of your child in school. Every family should set aside homework time and model for children the process of learning.
- Limit TV and video game time. Studies show that children who do best in school watch the least amount of TV/video games. When you first turn off the TV/ video game, you will have to help your child find other things to do – read a book, take a walk, visit the library, play a game.
- Chores are an important part of a child's life. They provide children the foundation upon which responsibility and high self-esteem are built. Research shows that children who do chores without reminders or parent persuasion are very successful at their first job called SCHOOL.

Traffic

Safety around Rousseau School is a primary concern. One important aspect of safety is traffic flow during critical drop-off and pick-up times. The success of our plan is dependent on adherence to the following procedures: The curb cutout on Calvert Street is designated for LPS busses and daycare vans only. Parents are NOT to use this area. The curb cutout on 33rd Street is for dropping off and picking up students only, please DO NOT leave your car unattended. Children should cross Calvert Street at the crosswalk along 33rd Street. Students crossing 33rd Street are asked to use the pedestrian light directly in front of the school. Students should not cross in the middle of the street to load an awaiting car.

Arrival Procedures

Rousseau Elementary School campus is closed until **8:50 a.m.** Prior to that time, no supervision is available, and students are not to be on school grounds. Parents should remain in their vehicle and students should leave their car on curbside. If you need to park your vehicle and come into the school, please use the visitor parking on the northeast corner of the school. If parents stay in their vehicle in the cutout and move forward with the traffic in front of them, we will have better flow of moving traffic around our school. When students arrive on campus they should proceed around the school to the playground on the west side of the building.

Dismissal Procedures

Students will be dismissed by teachers at 3:38 p.m. and will leave the building through their designated doors.

All students must go directly home or to a school sanctioned after school activity. Students who are participating in Family Service will meet a Family Service Staff Member at a designated location to be escorted to the program area.

****If students are not picked up within 10 minutes of dismissal, they should return to the main entrance to wait for parent/guardian. A parent/guardian will need to sign them out in the office.**

-  = No Parking (Stay in Vehicles at All times)
-  = Free Flow Traffic
-  = Bus and Daycare Van Parking Only
-  = Suggested Crosswalks

Student Conduct

Behavioral Expectations

Any conduct which causes or which creates reasonable likelihood that it will cause disruption or interference with any school function, activity, or purpose or such conduct that interferes with the health, safety, and well being or the rights of other students is prohibited by the Board of Education.

It is with this belief that Rousseau Elementary has chosen to establish the following school rules:

1. Be Safe
2. Be Respectful
3. Be Responsible

Our focus is to define, teach, practice and reinforce appropriate learning behaviors. We work to strengthen the prevention process so that students can successfully demonstrate behaviors that will help them learn. We are committed to helping children learn that they can problem solve, they can act in a way that will not make a problem for themselves or others, and that staff at Rousseau School will hold them accountable for their behaviors. When children are hurtful or disruptive at Rousseau, teachers will ask them to immediately stop and change the behavior.

Children will be referred immediately to the office for:

1. Physical violence directed to an adult. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
2. Physical violence directed to a student. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
3. Profanity directed to an adult. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
4. Profanity directed to a student. Suspension from class or school may result. Parent/teacher/administrator conference may be required.
5. Bringing items that are considered to be weapons such as knives, bullets, fireworks, etc. Suspension from class or school may result. Parent/teacher/administrator conference may be required.

While no one menu of consequences parallels children's misbehavior, staff will continue to implement logical learning opportunities. Contact your child's teacher or an administrator to learn more about this behavioral approach.

Positive Reinforcement

The Rousseau Staff give students positive reinforcements in a variety of ways. Individual students may earn Ram Bucks for displaying positive behaviors that are taught in our PAR Behavior Framework.

To support this, please limit the number of outside guests and the amount of visits. Thank you for helping us maintain this. Parents are allowed to provide lunch for their student ONLY. Lunch CANNOT be delivered from an outside establishment (Jimmy Johns, Grub Hub, etc.) for a student. This is in violation of federal lunch guidelines. As part of the LPS Wellness Plan, parents cannot bring food or treats to school for students other than their own. We try to encourage healthy eating for students including our healthy lunch choices in our cafeteria. Parents may not join their students at recess indoor or outdoor. No lunch visitors the first week and last two weeks of school.

Bullying

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Monica Jochum. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Parent Teacher Organization

The Rousseau School Parent Teacher Organization (PTO) is a vital part of Rousseau School's success with children. As an organization, they represent parents/guardians and organize events and projects that serve children and families. Scheduled Parent meetings are listed on the calendar. All families are encouraged to attend Parent meetings and activities. Parent meetings are held in the Media Center or via zoom. Meeting dates are listed on the Rousseau website calendar and in this handbook. Every parent is a member of PTO and there are no dues! Facebook: Check out PTO happenings on the Rousseau website/PTO or our Facebook page! Search Rousseau Elementary PTO on facebook and "Like" our page. Parent Meetings will be virtual until further notice.

Visitors

Parents/guardians and community members are encouraged to visit school. Children not enrolled at Rousseau may not visit unless accompanied by an adult. It is recommended that visitors limit their visit to 30 minutes and are pre-arranged with Ms. Jochum and school staff. When visitors come to school, we ask that they come to the office, check in with the secured-entrance monitor, and wear a visitor's badge provided for you. Wearing this visitor's badge will assure all staff that approval has been given by the office to visit.

Important Information Needed

It is very important that parents/guardians notify the school of any change in address and/or telephone number or parents may also update in ParentVue. The office must have a current telephone number on file in case we must contact you in the event of an emergency. Persons listed as emergency contacts will be called to verify a student's absence if a parent/guardian cannot be reached.

Returning to School Following Illness

Students should have a note from parent/guardian explaining the cause of the absence if the parent has not been in contact with the school during the absence. In some cases the school may request a statement from a physician. If the absence is of three days or more due to a communicable disease, the student should be checked by the nurse, health technician, principal or principal's designee.

Dental Inspections

Dental inspections are performed in the school by dentists recommended by the Lincoln District Dental Society and approved by the Board of Education. Students presenting a dental report form signed by their own dentist will be excused from annual dental inspection which starts approximately October 1.

K-5 Common Practices

The K-5 Common Practices includes practices that have been extracted from the Lincoln Public Schools Important Information Booklet. This sheet is meant to be a quick-reference guide for common practices that are for elementary school families only. Some of the topics included in this document include: Dress Code, Gift/Treats/Invitations, Cell Phones and Electronic Devices, Homework Expectations, Students leaving School Prior to Dismissal Bell. This document can be found on the LPS Homepage under “Important Information Booklet.”

Gifts, Treats and Invitations

Money cannot be collected to buy gifts for school personnel. Exceptions can be made in the case of personal misfortune, or if a special honor is being given to a student, parent/guardian, or school staff member. Classrooms recognize birthdays in a variety of ways. Students are not allowed to bring birthday treats (edible or nonedible). Please do not send gifts, party favors, balloons, or flowers. These items will not be delivered to classrooms. Invitations will not be distributed during the school day. Teachers should be notified ahead of time if a student has invitations to distribute after school. Phone numbers and addresses cannot be distributed by any school personnel.

Cell Phone and Electronic Devices

Cell phones, smart watches, and other personal electronic devices are considered nuisance items if heard or used during the school day. If personal electronic devices are brought to school, they should be kept in their backpack, locker, or location designated by school staff during the school day. Smart watches can be worn as long they are used as a standard watch. If smart watches are used for any other function, they will be treated the same as other personal electronic devices, and the student will be asked to keep the device in a backpack, locker, or other location designated by school staff. The school is not responsible for damaged, lost, or stolen devices. Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent.

District Dress Code Guidelines

Clothing must be appropriate for school settings in order to provide a safe and orderly environment for all students to learn. The responsibility for the dress and grooming of a student rests primarily with the student and his or her parents or guardians, although, the school administration maintains the right to determine the appropriateness or suitability of any student attire.

Custodial / Non-Custodial Parents

It is Lincoln Public Schools policy to foster and facilitate parental information about, and involvement in, the education of their children. Divorced and separated parents maintain all parental rights with their children unless altered by a court order. If parental rights have been changed, the school principal must have access to a copy of the court order stipulating those changes. School officials will follow the directives stated in the order and in other such directives regarding access to the child as provided by the parent having legal custody. With regard to visiting children during school hours, attempts will be made to accommodate both parents. However, in cases of concern and dispute between parents, the custodial parent's directive will be followed. Parents are asked to resolve issues of child visitation at school outside of the school setting. Communication to parents is sent home on a weekly basis with each child. Occasionally, information will be mailed using the parent name and address provided at the time of enrollment. If a non-custodial parent or parent with joint custody wants information from school, please notify the office.
